

[RBHS Accommodation Support Statement](#)

Rutgers Biomedical & Health Sciences is committed to the creation of an inclusive and safe learning environment for all students and the University as a whole. For future reference, this statement may be accessed via the link above. RBHS has identified the following resources to further the mission of access and support:

For Individuals Experiencing Disability: The Office of Disability Services (ODS) supports students with documented disabilities in order to determine reasonable and appropriate accommodations for equal access. Students who have completed the process with ODS of requesting and being approved for accommodations are provided a Letter of Accommodation (LOA) specific to each course. To initiate accommodations for their courses students must both provide the LOA to and have a conversation with the course instructor about the accommodations. This should occur as early in the semester as possible. More information can be found at the [RBHS ODS website: go.rutgers.edu/ODSRBHS](http://go.rutgers.edu/ODSRBHS). ODSRBHS contact information: odsrbhs@ca.rutgers.edu.

Clear masks:

Instructors may need to wear clear masks to accommodate students with hearing impairments who need to read lips. The Office of Disability Services will contact instructors who have students who need such accommodations and provide information on the types of clear masks that are available.

For Individuals who are Pregnant: The RBHS Title IX Coordinator, Susan Hamilton, is available to assist with any concerns or potential accommodations related to pregnancy. Students may contact the Office of Title IX and ADA Compliance at (973) 972-9794.

For Short-term Absence Verification or Individuals with temporary conditions/injuries: Please refer students to the Office of Student Affairs for assistance with absences related to religious observance, emergency or unavoidable conflict (illness, personal or family emergency, etc.).

For Gender or Sex-Based Discrimination or Harassment: The RBHS Title IX Coordinator can assist students who are experiencing any form of gender or sex-based discrimination or harassment, including sexual assault, sexual harassment, relationship violence, or stalking. Students can report an incident to the Title IX Coordinator by calling (973) 972-9794. Incidents may also be reported by using the following link: [Title IX Reporting Form](https://uec.rutgers.edu/wp-content/uploads/60-1-33-current-1.pdf) For more information, students should refer to the University's Title IX Policy and Grievance Procedures located at <https://uec.rutgers.edu/wp-content/uploads/60-1-33-current-1.pdf>

For support related to Interpersonal Violence: The Office for Violence Prevention and Victim Assistance (VPVA) can provide any student with confidential support. The office does **not** have a reporting obligation to Title IX. Students can contact the office by calling (973) 972-4636 or emailing vpva@rbhs.rutgers.edu. There is also a confidential text-based helpline available to students; students can text (973) 972-4636 for support. Students do not need to be a victim/survivor of violence; any student can receive services, information and support.

For Student Wellness: The Student Wellness Program (SWP) is a free and confidential counseling service which helps students deal effectively with stressors and pressures related to school, as well as personal problems that may affect their well-being, their home lives and/or their academic performance.
